The Perpetual Trophy for *Best Exhibit in Show* for the Darwin Royal is donated by Darwin Ladies Kennel Club and Show Dog Handlers Club has been crafted from a unique piece of ornamental stone supplied by Top End Stonecraft. The stone has an interesting history in that the only known source is found on the West Australian and Northern Territory border. Geologists have placed its age at 1200 million years. Despite a number of years investigation they are unable to arrive at a valid explanation for its unique formation. Analysis of samples has disclosed an extraordinary number and range of elements which have created its unique and beautiful character. The natural fault lines apparent in some specimens have occurred when the rock layers have fractured under freak geological conditions, and moved out of alignment.
