## GRAEME FIELD

I commenced my involvement in the dog world in 1969, my first dogs being Labradors, both of which gained UD titles in obedience, CM in NSRT's and one TD in tracking. In addition I have trained and trialed Beagles, Irish Setters and Golden Retrievers, all of which have gained obedience titles. During the last sixteen years, together with my wife Sam, we have trained several Irish Setters to win numerous class and Best In Trial awards including seven Melbourne Royal Obedience classes and two Melbourne Royal Best In Trials.

I have been actively involved as an Obedience Instructor since 1969. In 1971 I became a Novice Obedience Judge, being elevated to the Utility panel in 1975. I am also on the Judging panel for Gundog Obedience, Tracking, Agility and Non Slip Retrieving Trials.

In 1975 I was appointed to the RNSWCC Trials committee on which I served for a period of four years, when a change of employment location forced my resignation.

Since taking up residence in the Albury area, I have been actively associated with the Albury and Border Kennel Club Inc, on committee, as President and currently as Chief Instructor, being granted Life Membership of this club in 1988.

I have had the pleasure of judging at the Melbourne (twice), Sydney and Darwin Royals, and Trials in South Australia, Canberra, Victoria, Queensland and New South Wales.

The Perpetual Trophy, for 'Best in Show' for the Darwin Royal '97 has been crafted from a unique piece of ornamental stone supplied by Top End Stonecraft of Berrimah NT.

The stone has an interesting history in that the only known source is found on the West Australian and Northern Territory border.

Geologists have placed its age at 1200 million years. But despite a number of years investigation, they are unable to arrive at a valid explanation for its unique formation.

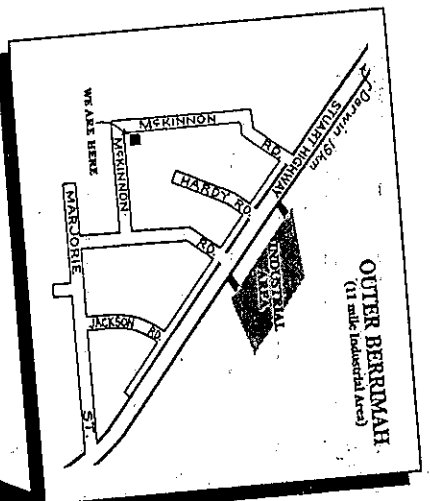

Analysis of samples has disclosed an extraordinary number and range of elements which have created its unique and beautiful character.

The natural fault lines apparent in some specimens have occurred when the rock layers have fractured under freak geological conditions, and moved out of alignment.

Top End Stonecraft have been working with the stone over the past 10 years, and from their workshop in McKinnon Road, Berrimah, they craft unique items including:

- \* Souvenirs & Corporate Gifts
- \* Fruit Bowls
- \* Table Lamps
- \* Wine Racks
- \* Book Ends & Trophies
- \* Collector Specimens
- \* Wall Clocks
- \* Carvings on Slate
- \* Coffee Tables
- \* Pool Surrounds
- \* BBQ Areas
- \* Flooring
- \* Bench Tops
- \* Patios

## STEPHANIE RICKARD

Stephanie began her judging career in 1980 with her gundog licence. Having been in English Springer Spaniels since 1969 and American Cocker spaniels since 1976, with a few years in Miniature Poodles, her interest in judging developed. From Gundogs to Non Sporting/Utility in 1982, followed by Hounds, Terriers, Toys and finally the Working Group in 1993 which gave her All Breeds, she has maintained her interest in many areas of the Dog World. As breeders, she and husband David, under the "Wongan" (Aboriginal for Wild Duck) prefix have bred 89 champions including a Melbourne Royal Best In Show winner. Stephanie has held executive positions in Breed and All Breeds Clubs, has assisted with the Judges' Training Scheme and has recently joined the VCA Judges' Subcommittee where she is training Group Six judges. Her judging has taken her throughout Australia, New Zealand, USA, Canada and Europe including the International Show at Turku in Finland. She is looking forward with interest to her assignment at the 1997 Royal Darwin Show.
