ADVANCE

Add life to the life of your pet™

Adult Energy

For Highly Active Dogs

Nutrifibre

A patented combination of soluble and insoluble fibre that acts as a prebiotic and selectively promotes healthy bacteria (bifidobacteria, lactobacillus) in the gut resulting in fewer, firmer stools.

Skin and Coat Health

Contains selected oils (omega3 fatty acids) that have been shown to improve coat health, lustre and softness.

Antioxidants

ADVANCE contains a unique blend of vitamin C, vitamin E, taurine and lycopene. These ingredients have been proven to increase the level of antioxidants in your pet. Antioxidants are essential for your pet's natural defences and help protect its cells.

Joint Health

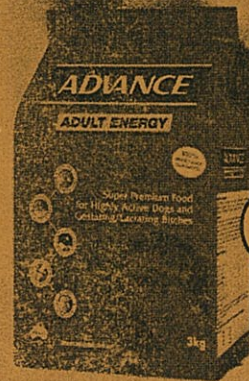

Stabilised green-lipped mussel powder contains natural sources of glucosamine, chondroitin sulphate, omega3 fatty acids and lyprinol to help maintain joint health.

Reproduction

This product is formulated for the most demanding lifestages of gestation and lactation. A feeding study has indicated feeding ADVANCE Energy during reproduction produced larger litter sizes.

You give me a bath.
I'll give you a shower.
It's only natural.

Every dog is a different person and it's important to understand the unique needs of the species. That's why we've made new PEDIGREE Natural with the exclusive combination of natural ingredients that support the most delicate of canine psyches. Amino acids, vitamins, omega-3 fatty acids and antioxidants. And because it's so delicious, your dog will love to eat it. It's the only dog food that's so natural, it's only natural.

Mr John Rowles (New South Wales) ALL BREEDS JUDGE

In his strong family tradition, John Rowles started his dog career at the age of sixteen when his father gave him a Smooth Fox Terrier bitch from which he built a kennel and show career of his own. This was the foundation of generations of Australian Champion Smooth Fox Terriers carrying the IVANHOE prefix that had previously been used by several generations of the Rowles family since late in the 19th Century.

Upon the death of his father, John assumed the SELWOR prefix, the kennel name under which he breeds today. He has exported Smooth and Wire Fox Terriers to New Zealand, several Asian Countries and USA, where they have achieved Champion status. His canine involvement increased dramatically upon his move to Sydney in 1982 where he has successfully exhibited Smooth and Wire Fox Terriers, Whippets, Dobermanns, Australian Cattle Dogs, St Bernards and Lhasa Apsos. One of the highlights of his career was the importation and campaigning of the Wire Fox Terrier "AM & AUST CH ALDEES PONCHARELO OF ANA-DARE" who won more than 100 Best in Group awards and many Best in Shows. More recently he has campaigned Smooth Fox Terrier, "AUST GRAND CH IDLEBY SONA MAJOR" who amassed 50 Best in Groups and many Best in Shows, as well as being the first of his breed to achieve the Australian Grand Champion title. Since then, John has campaigned a further 5 Smooth Fox Terriers to that elite title, including "AUST GRAND CH SELWOR SELECT MASTER" who achieved that status before turning 2 years of age and "AUST GRAND & NZ CH SELWOR SOLITARY MAN". Currently he is campaigning his American import "AM & AUST GRAND CH WEDIGIT BLACK TIE AFFAIR" towards his Grand Title and has also acquired an American Champion St Bernard bitch who has already won several Best in Groups in Australia. He has judged in every State and Territory in Australia, as well as New Zealand, Philippines, Singapore, India, USA, New Caledonia, Thailand, Canada, South Africa, Malaysia, South Korea, Russia, China, Norway, Ireland, Indonesia and Finland.

His involvement in the administrative side includes being a Committee Member of several Clubs as well as being an ANKC Accredited Examiner. While not immersed in canine activities, he is kept very busy running his own accounting practice as a CPA and Tax Consultant.

It is our great pleasure to welcome John back to Darwin to judge at the 2006 Darwin Royal

COMPETITION

*Congratulations to these young people and a huge thank you to all the parents, family, friends,
participating clubs and other dog exhibitors who have supported them throughout the year.*

The Perpetual Trophy and replicas have been donated by:
Darwin Ladies Kennel Club and Show Dog Handlers Club

The Perpetual Trophy for *Best Exhibit in Show* for the Darwin Royal has been crafted from a unique piece of ornamental stone supplied by Top End Stonecraft. The stone has an interesting history in that the only known source is found on the West Australian and Northern Territory border. Geologists have placed its age at 1200 million years. Despite a number of years investigation they are unable to arrive at a valid explanation for its unique formation. Analysis of samples has disclosed an extraordinary number and range of elements which have created its unique and beautiful character. The natural fault lines apparent in some specimens have occurred when the rock layers have fractured under freak geological conditions, and moved out of alignment.
