The Royal Agricultural Society of the Northern Territory reserves the right to change the order of judging and/or the starting time for judging. Judging will be completed and dogs off the grounds by 10.00pm each night.

Every care is taken in the preparation of a catalogue, however it is the responsibility of exhibitors to ensure that exhibit details are correct. Errors and/or omissions must be reported to the Show or Trial Manager PRIOR to commencement of judging.

Exhibitors are required to remain until the completion of judging each day and until after the presentation of prizes on Saturday. Any exhibitor who is unable to observe this timing must arrange for a handler to remain with their dog/s. The owner of any exhibit, which is required to return for further judging, may apply for a pass.

This exhibition is conducted under the Rules and Regulations of the North Australian Canine Association (NACA) Inc and a copy of the rules is available from the Show Manager. All Northern Territory owners, exhibitors and handlers must be financial members of the North Australian Canine Association by close of entry. EXHIBITORS AND DOGS PARTICIPATING AT AN EXHIBITION DO SO AT THEIR OWN RISK.

ANKC Challenge and Best of Breed Certificates are offered at this Show, one (1) Challenge Certificate for each sex of every breed and one (1) Best of Breed Certificate replacing the Challenge Certificate for the Best of Breed winner. These certificates will be awarded at the discretion of the judge.

Please do not leave the assembly area until the judging of your group is completed. Judging will be not be held up for exhibitors or exhibits that are absent when required. During General Specials judging, if you are required, make sure you are within the confines of the assembly area – you will be called three (3) times only. Failure to be there MAY RESULT IN DISQUALIFICATION OF AWARDS ALREADY RECEIVED. If you are unsure whether you are required for General Specials judging please check with the Show or Trial Manager. If you must leave the show before final judging please advise the Show or Trial Manager.

Mr Wayne Burton (New South Wales)
ALL BREEDS JUDGE

Wayne Burton's induction into the dog world was in 1968 when he was introduced to the Afghan Hound, which he bred and exhibited with some success under the ISHRAHM prefix, making up seven champions and in 1972 having the number one ranked Afghan Hound in NSW.

He has owned, bred and exhibited successfully Afghans, Shih Tzu, Scottish Terriers, Whippets, Salukis and Poodles (three varieties), but primarily Standards. As a handler he has also been involved with the Bichon Frise, Basset Hounds and Griffon Bruxellois.

Wayne commenced judging in 1978 with Hounds and attained All Breeds status in 1991. He has judged extensively throughout Australia at Breed Specialties and All Breeds shows. Internationally he has judged in the USA, New Zealand, Japan, Sweden, Denmark, Norway and Switzerland.

He is Past President of The Afghan Hound Club, The Whippet Club and is currently Secretary of the Sighthound Association and Dalwood All Breed Dog Show committee. Wayne has also assisted the RNSWCC over many years holding positions of Group Co-ordinator and Judging Assessor for the Judges' Training Scheme and is currently on the Constitutional Review Committee.

It is our very great pleasure to welcome Wayne to the 2005 Darwin Royal

Pedigree
JUNIOR DOG HANDLER COMPETITION

SENIORS
Jason O'Mahony
Rebecca Pearce
Lee Simes
Brianna Tennyenhuis

Congratulations to these young people and a huge thank you to all the parents, family, friends, participating clubs and other dog exhibitors who have supported them throughout the year.

The Perpetual Trophy and replicas have been donated by:
Darwin Ladies Kennel Club and Show Dog Handlers Club

The Perpetual Trophy for ***Best Exhibit in Show*** for the Darwin Royal has been crafted from a unique piece of ornamental stone supplied by Top End Stonecraft. The stone has an interesting history in that the only known source is found on the West Australian and Northern Territory border. Geologists have placed its age at 1200 million years. Despite a number of years investigation they are unable to arrive at a valid explanation for its unique formation. Analysis of samples has disclosed an extraordinary number and range of elements which have created its unique and beautiful character. The natural fault lines apparent in some specimens have occurred when the rock layers have fractured under freak geological conditions, and moved out of alignment.
